

NDIS Price Guide

(the easy-read version!)

Effective from: 1 January 2022

How the Price Guide is structured

-----------------------	---------------------	-------------------	------	-------	---------------	---------------	--------------	---------------	--------------	---------------	---------------	--------------	----------------	--------------------	-----------------	----------------------	-----------------	---------------------	--------------------	------

You should note that we've taken a couple of columns out of this price guide. This is to make it easier to understand for most people. We've taken out:

Registration Group Name and Number

The registration group number is the third set of numbers in the support item number. E.g. for support item Exercise Physiology 12_027_0126_3_3, the 0126 corresponds to the registration group number. You can match that with the list of registration groups, which you can find here: <https://www.ndis.gov.au/providers/price-guides-and-pricing>.

Support Category Number

On the contents page, the support category number is next to the support category name (e.g. Support Coordination is support category 7).

Irregular SIL Supports

All the items in this price guide are not Irregular SIL Supports, apart from a few in Assistance with Daily Life. For those, we've stated this in the support item name. You can find those items on page 7.

Start and End Dates

The start date of all these supports at 01/01/2022, and the end date is 31/12/9999 (seems pretty far away now!)

We've also added in which supports are eligible for Activity Based Transport, which the original price guide does not have.

The price limits for:
 - National Remote (MMM 6)
 - National Very Remote (MMM 7)

Activity Based Transport is able to be claimed for this item (see next page for more information)

The provider of the support can charge for travel

The type of support:
 PLS - Price Limited Support (i.e. there is a price cap to this support)
 QS - Quotable Support (i.e. the item needs a quote before money will be made available)
 UPI - Unit Price is \$1 each

Some more information...

Activity Based Transport

Activity Based Transport refers to transport “to, or from, or as part of, a community participation support”. The transport must be delivered by the same provider that is also providing the support at the destination.

Activity Based Transport can be charged from the following line items:

- Assistance with Social and Community Participation (all line items)
- Support Coordination (Psychosocial Recovery Coaching - items 07_101_0106_6_3 through to 07_105_0106_6_3)
- Improved Living Arrangements (Assistance with Accommodation and Tenancy Obligations 08_005_0106_2_3)
- Increased Social and Community Participation (Life Transition Planning Incl. Mentoring, Peer-Support And Individual Skill Develop 09_006_0106_6_3, and Individual Skills Development and Training 09_009_0117_6_3)
- Finding and Keeping a Job (Individual Employment Support 10_016_0102_5_3)
- Improved Relationships (Individual Social Skills Development 11_024_0117_7_3_)
- Improved Learning (Transition Through School And To Further Education 13_030_0102_4_3)

On the price guide, you'll see which line items are able to charge Activity Based Transport as they'll have a green 'Y'. Have a look at page 24-25 of the NDIS Pricing Arrangements and Price Limits document for more information.

Regional, Remote and Very Remote Areas

To determine if whether you live in a metropolitan, regional, remote or very remote area, you can go to <https://www.health.gov.au/health-workforce/health-workforce-classifications/modified-monash-model>, and select 2019. The classification is based on where the support will be delivered.

Supports that are classified as MMM1-5 are priced at the state rate, and are considered as Metropolitan (MMM1), Regional Centres (MMM2-3) or Regional Areas (MMM4-5). MMM6 is classified as Remote, and MMM7 is classified as Very Remote. Have a look at pages 26-28 of the NDIS Pricing Arrangements and Price Limits document for more information.
